## Something to drink

## DRINK

### The Coffees:

Our coffee is full bodied, sweet, enhanced by a slight bitterness and acidity that gives it complexity and structure. Aromatic, with a reminiscence of chocolate and ripe fruit flavours plus a long after taste, a defined flavour, slightly spiced.

All our coffees are also available in decaffeinated version and can also be served with skimmed or soya milk.

- Espresso.	1,30
- Macchiato.	1,35
- Tallat (small coffee with a dash of milk).	1,40
